and other requirements may be specified by affiliating agencies. PPD and a self-report health assessment. Hepatitis B vaccine, flu vaccine, checks will be at the expense of the student. Background checks may be required by affiliating agencies. Background impairment is publicized to enrolled nursing students.

enrollment or continuation in the program. A policy regarding chemical others, including clients, peers, faculty, and staff, the student may be denied if a student’s behavior compromises or threatens the health or safety of A zero-tolerance for incivility is in effect at Alfred State nursing. Furthermore, Nursing Student Handbook.

Specific policies related to progression in the nursing program and readmission to the nursing program are publicized to enrolled nursing students in the Classroom with lab component at the same college.

A laptop is required for the nursing program, as it will be needed for on-campus exams and other educational purposes. Microsoft Office is required; Internet access is required. In addition, a handheld pocket-sized electronic device is required (i.e., smart phone) for downloading program software. The device must have the capability to disable both phone and camera. Further system requirements will be sent via a newsletter in early June to newly admitted, transfer, and continuing students.

All sciences (anatomy and physiology I and II, microbiology) must be passed with a minimum of “C” in order to progress through the nursing program. Students must earn a “C” in Nursing I (NURS 1108) and Nursing II (NURS 2208) and a “C+” in Nursing III (NURS 3310) and Nursing IV (NURS 4410) to progress in the nursing program. Competency in medication clinical computation is required and is tested as part of the Nursing II (NURS 2208) and Nursing III (NURS 3310) courses.

Note: BIOL 1404 Anatomy & Physiology I and BIOL 2504 Anatomy & Physiology II have to be completed with a “C+” and must be taken in the classroom with lab component at the same college.

A zero-tolerance for incivility is in effect at Alfred State nursing. Furthermore, if a student’s behavior compromises or threatens the health or safety of others, including clients, peers, faculty, and staff, the student may be denied enrollment or continuation in the program. A policy regarding chemical impairment is publicized to enrolled nursing students.

Background checks may be required by affiliating agencies. Background checks will be at the expense of the student.

Nursing students are required to provide documentation of an annual two-step PPD and a self-report health assessment. Hepatitis B vaccine, flu vaccine, and other requirements may be specified by affiliating agencies.

Any student wishing more information should contact the nursing program.

ADVANTAGES

- The program is accredited by the Accreditation Commission for Education in Nursing (ACEN) [3343 Peachtree Road, Suite 850, Atlanta, GA 30326] phone 404-975-5000, www.acenursing.org.
- The associate degree in nursing (AAS) is currently being offered in three different educational pathways:
  - The traditional two-year program
  - A three-year part-time program
  - Within a dual-degree format
- Graduates of the AAS degree may directly enroll in the RN-BSN program after filling out the “Joint Intent to Enroll” form.
- Graduates of the AAS degree are eligible to apply for licensure as a registered professional nurse (RN-NCLEX) in any state.

DIRECT ENTRY INTO BACCALAUREATE DEGREE PROGRAM

Alfred State nursing graduates may enter directly into either the interdisciplinary studies BTech, the nursing BS, or technology management BBA degree program, and can fill out the Joint Intent to Enroll form when applying to continue their studies.

FACILITIES

Facilities used for clinical experiences may include: Cuba Memorial Hospital, Elderwood, Guthrie Corning Hospital, Highland Hospital, Highland Park Rehabilitation & Nursing Center, Jones Memorial Hospital, Noyes Memorial Hospital, Olean General Hospital, Veterans Affairs in Bath, and Hornell Gardens, as well as other area facilities and community sites. Students may be placed in day, evening, and night clinical placement, weekend and weekday rotations, and may be responsible for their own transportation.

ENTRANCE REQUIREMENTS/RECOMMENDATIONS

- Algebra, Biology, and Chemistry
- Recommended: 980 combined reading/writing and math SAT score or composite ACT score of 19
- Required: It is essential that students are able to fully participate in clinical, caring for clients as assigned. The AAS is a rigorous program that will require a high degree of dedication. Established entrance requirements for nursing students include being able to:
  - Ambulate (walk) without assistive devices
  - Lift at least 35 pounds
Function in a safe manner, not placing clients in jeopardy
- Maintain confidentiality in regard to professional practice
- Appropriately utilize standard medical equipment
- Interpret data from electronic devices in the health care setting for the purpose of client care
- Maintain professional composure at all times
- Communicate effectively, orally, and in writing

**LICENSURE**
Graduates are eligible to apply for licensure as a registered professional nurse (RN-NCLEX) in any state. Completion of the nursing program does not assure licensure as a registered professional nurse. Graduates of this nursing program meet the education requirements for admittance to the RN licensure exam; however, there is a requirement that the applicant be of "good moral character" and a fee must be paid for the test and license. On the application for New York State licensure, the applicant is required to truthfully answer the following questions:

- Have you ever been found guilty after trial, or pleaded guilty, no contest, or nolo contendere to a crime (felony or misdemeanor) in any court?
- Are criminal charges pending against you in any court?
- Has any licensing or disciplinary authority refused to issue you a license or ever revoked, annulled, canceled, accepted surrender of, suspended, placed on probation, refused to renew a professional license or certificate held by you now or previously, or ever fined, censured, reprimanded, or otherwise disciplined you?
- Are charges pending against you in any jurisdiction for any sort of professional misconduct?
- Has any hospital or licensed facility restricted or terminated your professional training, employment of privileges or have you ever voluntarily or involuntarily resigned or withdrawn from such association to avoid imposition of such measures?
- If the answer to any of the questions is yes, the applicant must offer full explanation and establish his/her good moral character with the State Education Department, prior to earning a license.

**GENERAL NOTES:**
Min. of a "C" grade is required for Nursing I and II; min. of "C+" is required for Nursing III and IV.

BIOL 1404 Anatomy & Physiology I and BIOL 2504 Anatomy & Physiology II have to be completed with a "C+" and must be taken in the classroom with lab component at the same college.

CPR certification is required BEFORE taking Nursing I (NURS 1108) and remain active throughout the nursing program.

**RN TRANSFER PROGRAM**
Alfred State students may transfer to most New York State baccalaureate programs consistent with NYS transfer agreement.

**REGISTERED NURSE PROGRAM NURSING - AAS DEGREE**
**TYPICAL TWO-YEAR PROGRAM**
