- Seven of the 10 SUNY approved General Education categories must be fulfilled

## **END-OF-PROGRAM EXAM REQUIREMENTS**

All students are required to complete an end-of-program exam. This exam will be taken in the capstone course for the student's specific program in BUAD 8023 Strategic Management Capstone. The end-of-program exam will also be considered an assignment in the capstone course. The benefit of taking the end-of-program exam is to test the student's knowledge at the time of graduation. Students may include the progress from the end-of-program exams on their resume. Exams will be taken once and they will impact the student's capstone course grade by 5%. Please refer to the syllabi for the relevant capstone course to know the grading scale for the end-of-program exam.

The end-of-program exams are required, not optional.

Information on how to take the exams will be given in the course prior to the end-of-program exam.

## How should I prepare for the assessment exam?

The comprehensive end-of-program exam covers topics taught throughout the degree program, which are aligned to the topics required for accreditation. The preparation for the exam comes from your educational experience with the school, specifically through the required courses for your degree. The exam assesses the foundational knowledge areas for your discipline.
